# ALL ABOARD A FAST MOVING MONTH

This November is shaping up to be quite a month at Hus Church. There are lots of things going on in the different areas of our life together as disciples of Jesus Christ. Besides the regular activities of Youth and Family Ministries, there will be two special events. We have members participating in the "Weekend To Remember," a three day conference at the Collins Road Marriott for strengthening marriages. And then there is "The Crave" on Wednesday November 15<sup>th</sup>. This is a youth event for reaching youth throughout this area with the Good News of Jesus Christ, and is the brainchild of several youth leaders, including Hus's own Terry Van Wyk. Besides the band, *All But Screaming*, the featured speaker will be Ryan Dobson, son of Focus On The Family founder James Dobson.

We will also be doing a "re-launch" of our Serve The City campaign, which we are doing in partnership with about 50 other churches. On November 12<sup>th</sup>, in worship we will be writing the first names of people that each of us has selected to focus on in our prayers. These will be friends, neighbors, and relatives who we are fairly sure have yet to come into a personal relationship with Jesus Christ as their Lord and Saviour. As we did earlier this year, we can all share in praying for these names on the wall. When a person named on the wall receives Christ into their lives, a cross can be added by their name. This is a very exciting thing to be participating in, as many lives have already been transformed as a result of this campaign.

Then there is the annual Thanksgiving Eve Ecumenical Service on Wednesday, November 22<sup>nd</sup>. This year it will be at Asbury Methodist Church. This is always a wonderful event for renewing our partnership in ministry with St. Ludmila's Catholic Church, Hope Lutheran Church, and Asbury Methodist Church. I urge you to mark this as a must-go-to event. It is a great way to emphasize Who we are thanking as we prepare to celebrate Thanksgiving Day.

Also, in November there will be a special emphasis on stewardship in worship on the 19<sup>th</sup>. While this word generally makes people think of pledging, tithing, and finances, we will be addressing the issue of stewardship as an expression of Christ's Lordship in every aspect of our lives. While God has miraculously blessed our congregation with funding for ministry, we must continue and build on our discipleship approach to giving. As one of our six guiding principles at Hus Church states:

*Believing Jesus Christ is the Lord of all life, and that a time will come when the whole world will exalt and confess His holy name, we earnestly submit our wills, our hearts, our minds, our work, our time, our possessions, our money, and all our resources to Him in order to invite as many people as possible to enter into the kingdom of God.*

Now, I haven't even mentioned all the things happening in our Exploring God's World Sunday School, worship team, Quilters, Prayer Warriors, and on and on. As you can see, Hus Church is a church on the move, and on the move in an exciting and blessed direction. So, get on board and be a part of what God is doing through the people of Hus Presbyterian Church.

In Christ's Peace,

*Will*

*PS: Just a quick note on my pastor's column for last month's newsletter. Most of the comments to me were very positive, but a few people misunderstood one sentence about my knowing people in other churches who had visions of Jesus. Some thought my description of these people as "trustworthy" implied that I didn't think Hus Church had trustworthy people. I do view our church as filled with trustworthy people. I just was accenting the trustworthiness of those people I know who say they have seen a vision of Jesus. Plus, after my column was printed and mailed, I was reminded that there are at least two people at Hus Church who have had visions of the risen Christ. So, every church I have been in has very trustworthy people who have had visions of Christ. My apologies for any confusion my use of the word "trustworthy" may have caused.*

## **VETERANS DAY**

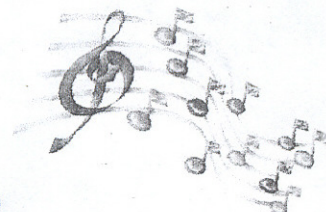

Veterans Day has its roots in what was called Armistice Day, the day when a peace agreement was signed with Germany ending World War I. Armistice Day was established with a proclamation by President Woodrow Wilson which reads in part: "Armistice Day will be filled with solemn pride in heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations." On June 1, 1954, Armistice Day was renamed Veterans Day to honor all U.S. veterans.

On Veterans Day this year, let us remember and honor those men and women who gave of themselves, and let us continue to pray for our men and women currently serving in the military.

Free will offering

6:30 PM

Meet the Wissmans: mom, dad, and 13 children! Based in Seward, Nebraska, they are coming to share their musical talents and love of the Lord with Cedar Rapids.

The Wissmann family firmly believes that music was given to praise and glorify the Lord Jesus Christ. Therefore, they endeavor to keep a melodious and joyful undertone throughout each song.

Playing a variety of Christian/Gospel music, the family has chosen to make each song creative with both instrumentation and vocals. From the warm sweet sound of young children blending harmonies, to the more mature voices of the older siblings- the variety in each program is exciting and fresh.

The array of instruments includes: guitar, bass guitar, violin/fiddle, banjo, mandolin, harmonicas, hammered dulcimer, keyboard/piano, trumpet, flute, and harp.

Keeping everything with a Christian base, the Wissmanns enjoy bluegrass, gospel, original selections, patriotic numbers, and lots of good ole' hymn singin'.

Please invite friends and family to this great concert!

## 5 Finger Prayer

~~~~~

1. Your thumb is nearest you. So begin your prayers by praying for those closest to you. They are the easiest to remember to pray for. Our loved ones are, as C. S. Lewis once said, a "sweet duty."
2. The next finger is the pointing finger. Pray for those who teach, instruct and heal. This includes teachers, doctors, and ministers. They need support and wisdom in pointing others in the right direction. Keep them in your prayers.
3. The next finger is the tallest finger. It reminds us of our leaders. Pray for the president, leaders in business and industry, and administrators. These people shape our nation and guide public opinion. They need God's guidance.
4. The fourth finger is our ring finger. Surprising to many is the fact that this is our weakest finger, as any piano teacher will testify. It should remind us to pray for those who are weak, in trouble or in pain. They need your prayers day and night. You cannot pray too much for them.
5. And lastly comes our little finger the smallest finger of all which is where we should place ourselves in relation to God and others. As the Bible says, "The least shall be the greatest among you". Your pinkie should remind you to pray for yourself. By the time you have prayed for the other four groups, your own needs will be put into proper perspective and you will be able to pray for yourself more effectively.

# Believing On Our Master

November 2006

Hi All,

Just when you thought you knew it all...

*<sup>1</sup>My child, do not keep my teaching, but keep my commands in mind. <sup>2</sup>Then you will live a long time, and your life will be successful. <sup>3</sup>Don't ever forget kindness and truth. Wear them like a necklace. Write them on you heart as if on a tablet. <sup>4</sup>Then you will be respected and will please God and people. <sup>5</sup>Trust the Lord with all your heart, and don't depend on your own understanding. <sup>6</sup>Remember the Lord in all you do, and he will give you success. <sup>7</sup>Don't depend on your own wisdom. Respect the Lord and refuse to do wrong. <sup>8</sup>Then your body will be healthy, and your bones will be strong." Proverbs 3:1-8 (NCV)*

What are some of the traits that you look for in a friend? How about love, joy, peace, patience, kindness, goodness, faithfulness (loyalty), gentleness, and self-control? These should sound familiar to you. They are the fruits of the spirit that Paul wrote about in his letter to the Galatians. These are areas in each of our lives that we can change with help from the Holy Spirit. What kind of fruit do people pick off your branches? One trait that sticks out is loyalty (faithfulness). When the day is over, who do you still consider your friends? Those who talk about you behind your back? Is it those who will associate with you under their terms but when they are around their friends you are a nobody? I would bet that none of these people pass the test. It is those who are loyal to you. They are the ones that will forgive and forget. They are the ones that will stand beside you no matter what happens. They are your real friends. You know that kind of fruit that you pick from their branches. If we choose to have on our branches these fruits then we need to write them on our hearts so that as verse 4 says, "Then you will be respected and will please God and people."

"Trust in the Lord with all your heart, and don't depend on your own understanding." Just reading verse 5 over and over again send chills through me. Trust in the Lord with all your heart. That is a powerful statement, especially when we depend on our own understanding all too often instead. We know what to expect when we depend on our own understanding. Yet when we do that we rarely get it right. So what does it mean to trust the Lord with all your heart? It means going to him in prayer as often as you can with everything that you have. How do we know that when we trust God completely that what we do is the truth that God is giving us? John 16:13 tells us "But when the Spirit of truth comes, he will lead you into all truth. He will not speak his own words, but he will speak only what he hears, and he will tell you what is to come."

14½ months ago my wife, Diane, and I had what most would consider a difficult decision to make. We've all had them and always will. As we discerned God's call on our life we heard the Spirit of truth. That is when we followed God's call to serve Hus Presbyterian Church as the Youth & Family Life Minister. I included Diane because it was a step of faith for both of us. I was going to be leaving a position that I was very good at and enjoyed. The paycheck and the benefits were good too. I had no reason to leave other than God's calling. By adding me to the staff along with funding the youth & family life program as well as expanding others the church increased its budget by over 50%. To put that in perspective the church at its previous budget levels had been in the red for more years than anyone cares to count. The church was being obedient to God and so were Diane and I. God honored us for trusting in him and not depending on our own understanding. We remember the Lord in all that we do and just as verse 6 says, "Remember the Lord in all you do, and he will give you success." God has given us that success. And as we "Respect the Lord and refuse to do wrong" he is working in us and in the church so that the "body will be healthy," and so the "bones will be strong." The Lord says, "I will make you wise and show you where to go. I will guide you and watch over you." God is telling us in Psalm 32:8 that he is going to be our teacher. Just like that favorite teacher that you had in school he will not let us get out of hand. He will not let us forget. He will not give up on us. He will guide to do what is right and true. Trust in him. Let the Spirit guide you. Paul reminds us in Romans 8:14 "The true children of God are those who let God's Spirit lead them."

I knew that I had a lot of Bible study to do to be effective and I still have more to go. In fact I came to the conclusion that when there was no more to learn I would be worshipping God in heaven. But after working with youth in the Boy Scouts for over 25 years as a teenager and as an adult, after spending over 17 years working with teenagers as a manager in a fast food restaurant, and after being a volunteer youth leader at Hus Church for nearly 3 years I thought I knew everything I needed to know about working with teens. Just when I thought I knew it all God let me know that I was wrong. Thank you God.

Because of Him,

Terry

*When I kept things to myself, I felt weak deep inside me. I moaned all day long. Day and night you punished me. My strength was gone as in the summer heat. Then I confessed my sins to you and didn't hide my guilt. I said, "I will confess my sins to the Lord," and you forgave my guilt. For this reason, all who obey you should pray to you while they still can. When troubles rise like a flood, they will not reach them. You are my hiding place. You protect me from my troubles and fill me with songs of salvation. The Lord says, "I will make you wise and show you where to go. I will guide you and watch over you." Psalm 32:3-8 (NCV)*

## A conversation with God

Dear God,

*There is so much for us to learn from our past and the pasts of others. Help us to learn the lessons that we need to learn whether it is from the Bible or our own church's history. May we have a faith and hope in you like the founders of Hus Presbyterian Church so that we too can keep our eyes to the future and our hearts and prayers to You. In Your Son Jesus' precious name we pray.*

*Amen!*

*When I kept things to myself, I felt weak deep inside me. I moaned all day long. Day and night you punished me. My strength was gone as in the summer heat. Then I confessed my sins to you and didn't hide my guilt. I said, "I will confess my sins to the Lord," and you forgave my guilt. For this reason, all who obey you should pray to you while they still can. When troubles rise like a flood, they will not reach them. You are my hiding place. You protect me from my troubles and fill me with songs of salvation. The Lord says, "I will make you wise and show you where to go. I will guide you and watch over you." Psalm 32:3-8 (NCV)*

## Exploring God's World

### Solomon the Wise!

**W**e are having a great time learning about Solomon's proverbs. Each week the kids bring home a paper with two Proverbs to memorize. Solomon is also considered one of the wisest men, and he was credited with rebuilding the temple in Jerusalem. We're talking about what is the church and what is our part in it. The younger class made crowns in art and the older class made origami booklets and wrote the proverbs in them. In Scripture Safari, the kids talked about the church.

Every rotation, every week is focused on learning that one Bible story.

## "Thank You, God"

Thanksgiving is a time to be thankful for all the good things in our lives. God is pleased when we are thankful because He knows that we remember the wonderful things He does for us every day.

**Directions:** Use the picture clues below to figure out the verse about being thankful. The minus (-) sign means take out the letter(s). The plus sign (+) means to add the letter(s).

Psalm 107:1

Answer: "Give thanks to the LORD for he is good."

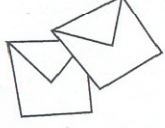

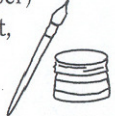

## Say "Thank You!"

Have you ever sent a thank-you card to someone for a gift you received? You can send thank-you cards for things besides presents. There are many people around you who do very thoughtful things for you every day. Celebrate this Thanksgiving by sending homemade thank-you cards to the people you are thankful for.

### What you need:

- A list of people to thank (as many as you want)
- Paper (colored construction paper or white copy paper)
- Crayons, markers, paint, stickers, etc.
- Envelopes (optional, unless mailing)
- Stamps (if mailing)

Mom  
Dad  
Eric  
Macy  
Grandpa

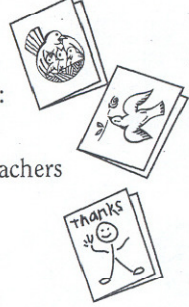

### What to do:

1. Next to each name on your list, write something that person has said or done that was helpful or kind.
2. Fold each sheet of paper in half like a card. (If you're using an envelope, make sure it fits inside.)
3. Decorate the card's front with drawings, stickers, etc.
4. Write a short note on the inside, thanking the person for the thing he or she did or said.
5. Deliver the cards in person or by mail.

### Some people you may want to thank:

- Family members
- Sunday school teachers
- School teachers
- Friends
- Neighbors
- People at church
